

Overnight Camping at Lang's Ladies Retreat Weekend

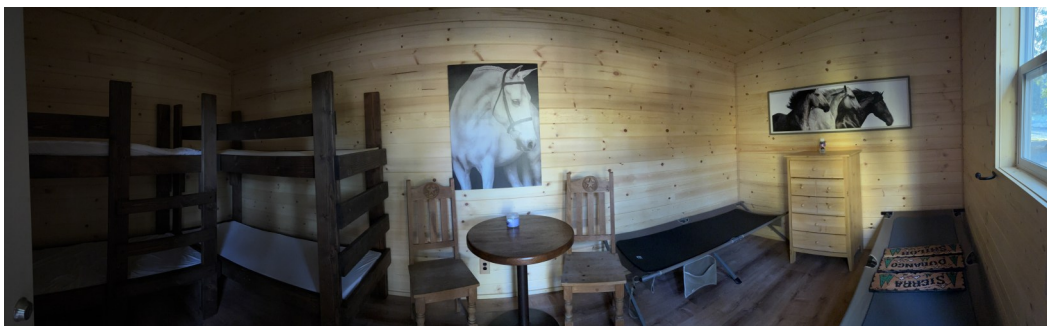

Our campground is home to simple wooden cabins that sleep 2 to 6 people. Each one has bunk beds with foam mattresses. Bring your own sleeping bag or bedding. The bigger cabins have lights and plug ins, and the smaller ones are lantern friendly only.

There is plenty of space to pitch a tent near the cabins, and you are welcome to pull in with your own trailer or RV.

The grounds sit along one of our quiet lakes. It is an easy place to gather for a fire, swap stories, roast marshmallows, or enjoy an unhurried evening.

Bathroom facilities: You will find two pit toilets in the main parking area. Other spots around camp are served by porta toilets, and every restroom area has a hand washing station.

A short walk through the trees and across our wooden bridge brings you to the camp kitchen and dining area. All meals are included with your camp tuition. The cooks put real care into hearty, down to earth meals that always hit the mark. If you have dietary restrictions, let us know ahead of time so we can send the menu your way.
